THE NEW SALEM WINDOW COMFORT CENTER™

Because we believe a comfortably rested driver is a safer and more productive driver, we are proud to introduce the Salem Window Comfort Center™ ventilation system.

- Affordable anti-idling solution
- Delivers 100+ CFM with only a 0.6 amp draw
- Runs safely off the battery
- Provides positive ventilation anytime without undue stress on your battery
- No costly idling
- No expensive auxiliary power units required

Comes with a 12v DC power cord and existing hardware mounting plate. Mounting plates are available in a variety of configurations to fit most applications.
